1966

LE ROY
CENTRAL SCHOOLS

Advisor

MR. JOHN KLINGENSMITH

Foreword

The 1966 O-AT-KAN was created with one end in mind — to present the 1965 - 1966 academic year at Le Roy Central High School in a brief, though complete and accurate record. Published in honor of the class of 1966, the 39th edition of the O-AT-KAN was initiated in early June of last year. The first photographs were taken at this time and the layouts were being drawn by the staff.

The major emphasis in this year's yearbook is the photography. A maximum number of pictures were developed in both color and in conventional black and white. The number of pictures taken by the staff and professional photographers was increased. To compensate for this emphasis, the length of copy was restricted wherever necessary.

Staff writers, editors, photographer, publisher and engraver were functionally essential for completion of this O-AT-KAN, but the greatest single factor was the cooperation from the students and faculty. For this cooperation, which transferred the 1966 O-AT-KAN from an idea to a finished yearbook, the staff and editors are sincerely grateful.

REFLECTIONS OF VICTORY

Editor's Comments

As we, the Senior Class, approach the end of our high school days, we find ourselves looking back into our past six years at Le Roy High School. We happily recall our successes, sadly remember our failures, and we see again the friendly faces of those who have helped us. Soon we will be stepping out of this life we have known for so long, and on many an occasion have taken too much for granted, never really realizing that we are speeding toward adulthood and the days of our youth are numbered. We are now, hopefully preparing for this most important step by planning for our future education and work. It is our responsibility to contribute all that we have to society and without this careful planning of our future we cannot achieve this goal. A great man who symbolizes all that we should strive to attain, lived his life to the fullest measure. Sir Winston Churchill contributed more to his society than any other person and for this reason we have chosen this man and his virtues as the underlying theme of the 1966 O-AT-KAN.

Winston Churchill was not only a man of

many trades, but he was a man of many strong principles. Patriotism, honesty and integrity, sound education and peace were the main tenets upon which he based his life. He fought for his country, wrote many historic speeches and novels, and strived for peace. We can and should learn from this man's principles, and by following his virtues we will be able to make our lives complete and worthwhile.

In closing, I leave you with a quotation from an address delivered by Churchill, as Prime Minister, to the House of Commons, on May 13, 1940:

"You ask, what is our aim? I can answer in one word: victory — Victory at all costs, Victory however long and hard the road may be . . ."

Dedication

MR. JOSEPH A. MANGEFRIDA

A happy smile and a pleasant personality, along with a great devotion to his teaching profession, are just a few of the many fine attributes of the person to whom this year's O-AT-KAN is proudly dedicated. In addition to his classroom teaching, Mr. Mangefrida has served as a sophomore class adviser and has helped to prepare us for the day when we became seniors. He has also served the community by rendering his services during the sum-

mer months to the recreation program for the youth of Le Roy. In his classes of industrial arts he has helped many a young man achieve success in life after high school.

Through this willingness to serve his students, the school, and the community, he has won the admiration of us all. Thus, to you Mr. Joseph Mangefrida, because of your friendship, understanding, and devotion, we the Class of 1966 proudly dedicate this O-AT-KAN.

Superintendent

Dr. Donald E. Horr

To the Class of 1966:

Congratulations on your having achieved a major step forward in your formal education. During your past years of attendance in the Le Roy School System, we have endeavored to prepare you, both academically and in personal characteristics, in the very best way possible for this occasion — the commencement of your life as an adult in our democratic society. With high school, there also comes added responsibility. Part of our great heritage is the manner in which each succeeding generation not only takes this responsibility and fulfills it, but also enlarges on the areas of responsibility. It is our hope that each of you accepts his part in making your generation an outstanding one in all aspects of human endeavor.

DR. DONALD E. HORR
Superintendent

MRS. BETTY PETERS

Although she is not seen by a majority of the students, Mrs. Peters holds an important job as secretary to Dr. Horr. She is responsible for the efficient running of the school administration's offices.

Principal

Mr. Paul D. Starkweather

Dear Members of the Class of 1966:

The years have rapidly gone by and now it's time to graduate from Le Roy High School. Graduation is a time of sadness for it represents the end of a high school career full of many fond memories. Yet it is a time of satisfaction for it truly indicates that you have successfully completed your studies. Graduation, besides representing "sadness" and "satisfaction", offers you a challenge in that it officially marks your first step into the adult world.

As you enter the adult world, I wish you would take a moment to stop and think of where you have been and where you are going. Be proud that you are an American and be thankful for all that Le Roy High School has done for you. Don't be afraid to admit that your new world is not all that it should be, but be just as determined to make it a better world in which to live.

Good-bye, good luck, and God Bless You.

PAUL D. STARKWEATHER
Principal

MRS. VIRGINIA
RUDGERS

Now a familiar face in the main office, Mrs. Rudgers works as secretary to Mr. Starkweather. Dealing with the numerous and complicated matters of the school, she keeps the office in excellent running order.

MRS. GRACE
MCBURNY

Mrs. McBurney, for the past three years, has served on the administration's secretarial staff and has kept the attendance records for the school. She can be seen in the cafeteria everyday before classes, writing admittance passes.

The Woodward Memorial Library

The Woodward Memorial Library, noted for its fine sense of beauty and distinction, has served the community of Le Roy for thirty five years. As a tribute to the memory of their parents, the children of Orator F. and Cora T. Woodward presented this building as a gift to the people of Le Roy. The day May 29, 1930, marked the opening of the library and the public was invited to enter.

The library occupies a prominent position on the school campus and is used as the school library as well as the public library. The downstairs portion provides reading material for the younger children, while the main floor offers a wide selection of literature to both high school students and adults. In addition to well-known novels and short stories, the library offers to the public encyclopedias, magazines, periodicals, pamphlets, and classical records. The library is also available for art displays, lectures, musical performances, and various meetings.

Because the library is located on the school campus, it is helpful in accommodating students with the necessary literature needed. We have all profited by the wealth and knowledge of information the library provides us, and it has created within us a stronger desire for learning.

"THIS IS YOUR VICTORY"

History in the making

History

"Let all of us who are here remember that we are on the stage of history . . . our conduct is liable to be scrutinized not only by history but by our descendants."

Harvard 1943

Therefore, the ultimate aim of history is to teach students those elements most significant in producing our present society. History, the record of man's existence, contains many parallels. It provides a background for understanding man's failures and successes in past generations.

To be or not to be . . .

English

English is the core of all our communication. Without it we would not be able to express our ideas in a written or spoken manner.. To insure a maximum command of our native language, English, as a course, was required throughout the junior and senior high schools. Along with the basic concepts of English, came the appreciation of American and British literature, gained in the interpretation of many great works. In order to make the picture more complete, Advanced Placement English was offered to those seniors who possessed the ability and desire to broaden their understanding of English.

That's the whole point !

My son can do this!

Car 54 where are you?

Science

During recent years, scientific experiments and discoveries have placed science in a unique position. A field of endless complexity and unlimited size, science has served as the keystone to our modern atomic age.

From the splitting of the atom to the earth's rotation, science has continually created and expanded new ideas. It has concerned itself with the living, touching upon every aspect of life. The courses available to a student at Le Roy were many and varied, yet each one provided him with a fresh outlook on the world about him.

Who shot that paper wad!

Calm your adrenals!

Mathematics

Mathematics provides a student with firm concepts and systematic principles related to our modern society. Through the study and comprehension of mathematical skills, he acquires a mind for precision, accuracy and independent thought.

The junior high student was presented with the necessary foundations of general mathematics. As he progressed the field, he became more specialized as Elementary Algebra, Plane Geometry and Math 11 were added to his curriculum. Math 12, the most advanced course, was of great help to the student who planned to enter college. By taking this course, he learned to think clearly and reason logically, thus being capable of furthering his academic pursuits.

You don't really mean that . . .

Repetez s'il vous plait!

Hands on the home row!

Language

World peace, so vital to our modern society, requires a true understanding of other nations. This understanding can be achieved effectively through the study of foreign languages. Once the language barrier has been overcome, friendlier relationships will exist between nations.

This year French and Spanish were introduced into the junior high curriculum to prepare the student more adequately for training in depth in the High School. The ancient tongue of Latin continued to provide the high school student with an understanding of our historical cultural heritage.

Business

The Business Department of LeRoy offered a wide selection of business subjects for the interested student. Individuals planning to enter the business world obtained understandings of the basic functions of business in Introduction to Business. Business Math, Bookkeeping I & II, Shorthand, Business Law, and Business Typing offered the student detailed training in specific business skills. Office Practice was designed for girls interested in general office work. Personal Typing was directed toward those students planning to further their education in college.

My kingdom for a book!

M-m-m-m good!

Home Economics

The art and science of homemaking, Home Economics, is a beneficial program available to all girls. This field focuses upon the wellbeing of family and home and encompasses many vast areas of learning.

Junior high girls were taught a general course, while high school girls received specialized courses in sewing, cooking, and family care. Each student was trained to manage a household with efficiency and to create a peaceful environment for her family. By translating basic laws and principles into a successful way of life, enabled the girl to become a more mature and dependable human being.

Agriculture

To answer the needs of the agriculturally geared student, the high school Agriculture Department dealt with the training of young men in the newest farming methods and the proper use of farming tools and implements. They were instructed in the various fields of farming, marketing, economics, and soil and water conservation. As a result of this classroom preparation, students were better equipped to meet the problems and challenges of farming in the world today.

Cow + grass = milk

Industrial Arts

Industrial Arts was a creative course and a very necessary one in the curriculum. In general, shop students learned the basic fundamentals of Industrial Arts and developed specific skills. These skills included working with both wood and metals as well as power tools. In advanced wood and metal shops, a wider scope of training was covered and more time was spent on improvement of individual abilities.

Industrial Arts introduced students to the appreciation of design, construction, and workmanship. It not only introduced them to a practical and interesting hobby, but it helped these future adults to work creatively with their hands and minds.

Watch your fingers!

The house that Jack built.

Art

“Happy are the painters, for they shall not be lonely.”

Art is an inward vision, both creative and expressive. The beauty of art lies within the infinite bounds of man's imagination, conveying his innermost dreams and emotions. The moods and dimensions of art are many and varied. Yet be it a simple pattern of uniformity or bold strokes of color, art always possesses the qualities of rhythm and grace. In the art department, students were given the challenge to express their emotions through original creativity.

Take it from the top.

Go Tell it on the Mountain

Music

Music plays an integral role in the cultural enrichment of the student body and is unique in the fact that it can be enjoyed by everyone. Throughout the years, Le Roy Central's Music Department has provided students with the opportunity to develop an appreciation of the universal language of music. Those students which possess the musical potential and enthusiasm may choose both vocal and instrumental instruction, or pursue either individually.

The vocal aspect of the department was represented by the Oatkannaires and Girls Chorus which produced their annual concerts. Outstanding talent was drawn from these groups when the fall operetta was staged this year.

Instrumentally, the marching band and Senior Band added color to our assemblies, sports events, community parades. Also, the Senior Band presented a spring concert of fine music.

So THIS is the meaning of ego?

Psychology

Psychology is a realistic study of the nature and behavior of man. Probing into his innermost thoughts, it is a true reflection of the mind itself.

Psychology was offered this year for a period of one semester. This course was designed to make the student reason clearly and discover the motivation behind man's actions. Upon completion of their studies, students had gained a clearer insight into themselves and more mature attitudes about human relations.

Driver Education

Driver Education has assumed an important role in the school curriculum. Because the automobile has become such a vital part of our lives, it is necessary for the student to learn caution, courtesy and correct driving skills.

The course was composed of two divisions: classroom instruction and actual behind-the-wheel training. In the classroom, students were taught the basic fundamentals of driving and the correct care and maintenance of an automobile. In the training car, novice drivers were given the opportunity to apply classroom instruction to actual driving conditions. The combined efforts of these two phases produced more responsible and successful motorists.

That was a RED light you went thru!

Any volunteers for square dancing?

Physical Education

The purpose of daily exercise and athletic training has been to maintain the physical wellbeing of each student. With this in mind, the Physical Education Department has tried to benefit our students through the large and varied program which it offers.

During gym classes, students were taught basic fundamentals of both gymnastics and sports. After acquiring new skills and techniques they were tested on their proficiency. Students also participated in intramural sports, learning the importance of fair play and good sportsmanship.

The Junior Class

Our Junior year passed by with incredible swiftness, yet the memories created will be cherished by all. We began the year with hope, anticipation, and an able slate of the following officers: President, Joseph Herron; Vice President, Ronald Stella; Secretary, David Ridge; and Treasurer, Ernest Rehor. Guided by our advisers, Mrs. Hoffman, Mr. Borrelli, and Mr. Smith, we worked diligently and successfully.

The highlight of our activities came on December 18, 1965, when we sponsored the annual Junior Prom and chose as its theme "Somewhere." We danced to the music of Johnny Brunson and The Tempos amid the unforgettable setting of moonlight and laughter.

Other activities included the extensive preparation and success of the annual Chicken Barbeque, as well as other dances and candy sales. These responsibilities helped us to learn how to work together as a class, and with more adult attitudes, we now look ahead toward our Senior year.

Facing the pressures of learning

The Sophomore Class

Having become accustomed to high school life, we entered our Sophomore year with spirit and enthusiasm. Determined to start the year out right, we selected as officers, David Kibler, President; Donna Batchellor, Vice President; Sherry Woodworth, Secretary; and Thomas Woodruff, Treasurer.

With the support of our advisors, Miss Suttell and Mr. Mangefrida, we planned an active program of events. Our first responsibility was to sell ice cream at home basketball games. In addition, we held two dances and a candy sale.

As for the remaining years of high school, we hope that each will be as successful as this one has been. We have had many new and exciting experiences and we look forward to a bright future ahead.

The Freshman Class

Our first year of high school was met with avid interest, as we stepped into the whirl of academic and social life. Our high goals and ambitions served to guide us throughout the year.

The election of class officers became our first responsibility. The results were the following: President, Robert Hope; Vice President, Gayle Burrell; Secretary, Martha Graney; and Treasurer, Sharon Fili. Our officers were guided by our helpful advisers, Miss Harrold and Mr. Sullivan.

During the year, we undertook the sale of pop, candy, and potato chips at home basketball games. The sale of these refreshments was not only an enjoyable experience, but very profitable as well. We also sponsored two dances which were well attended by all. As the year draws to a close we reflect upon our accomplishments with pride, and we look forward to our future years at LeRoy High.

Come on! Shell out!

The Eighth Grade

Upon completion of our second and final year of junior high, we have attained another step toward our goal of graduation. We were directed through the year by: President, Joseph Ferrara; Vice President, Blaine Panepento; Secretary, Debra Featherstone; and Treasurer, Candace Dampier. Our advisors, Mrs. Murphy and Mr. Cave, encouraged our activities and advised us on personal problems.

Our activities included a junior high dance, a "Fun Night", and a candy sale. All were supported by our loyal class members and these activities proved to be very profitable.

Junior high has helped to broaden our interests and has served as a valuable experience. Although we were sorry to see the year end, we are anxious to begin our high school years ahead.

The Seventh Grade

It was with a mixture of excitement and apprehension that we entered junior high, yet we were prepared to meet the responsibilities of growing up. Our world was one of newness and awareness as we viewed the events to come.

Under the careful guidance of Miss DeVoe and Mr. Maddox, we elected the following officers: President, Barry Stockdale; Vice President, Gregory Johnson; Secretary, Jennifer Kriel; and Treasurer, Arthur Aramino. Their leadership and service saw us through a most rewarding year.

Although our activities were few, we met with great success at our lively "Fun Night", and profit making candy sale. We now look ahead to the continuation of our junior and senior high years, for with each step forward we welcome new experiences.

Tomorrow's test looks pretty hard!

Wolcott Street School Dedication

Mrs. Phyllis A. Adams

We happily recall our grade school years with fond memories of making new friends, meeting our teachers, and adapting to school life. At first we found it difficult to become used to attending school all day, but with the help of teachers our fears and hesitations were overcome.

We will always remember the teacher who had a warm heart and a smile ready for us when we needed a boost in our confidence. Whenever we sought an answer to our inquisitive questions this teacher took the time to patiently explain the answers. She also kept a watchful eye on all of our actions. When we misbehaved we were corrected and in this way we were carefully disciplined. The foundations of our education were firmly built with the help of her guiding hand and understanding manner.

The teacher who possesses all of these qualities which are remembered by her students is Mrs. Phyllis Adams. We feel that Mrs. Adams has unselfishly dedicated her life to the teaching profession. Her patient efforts to help her students learn academic subjects and how to become good citizens are admired by all.

We the class of 1966 are very proud to dedicate this O-AT-KAN to Mrs. Adams, a most devoted woman.

Think and do.

Administration

Mr. Morrow has proved his fine leadership ability this year in guiding the grade school. He has been a valuable asset not only to the school but also to the entire educational system at Le Roy. His unselfish service has been shown by his dedication to work and we know he will continually benefit our grade school.

Student Council

The core of any society is its government and a school society is no exception. Student Council served as the representative student government for Le Roy High School. Working hand in hand with the school administration, the council gave the student body an active role in the execution of activities.

With Henry Chimeno as President, Sally Derrick as Vice President, Mary Messoro as Secretary, and Marilyn Brown as Treasurer, Student Council functioned under able leadership. Mrs. Leanen, Mr. Taggart, and Mr. Borrelli advised the council throughout the year.

Along with the regular duties of approving activity dates, Student Council initiated tutoring services. This and the improvement of the monitor system were the most outstanding accomplishments of this year's Student Council.

A. F. S. Club

The American Field Service Club spent a very worthwhile and rewarding year under the leadership of Greg Rudgers, President, Louise Hawker, Vice President, Sally Derrick, Secretary, and Thomas Sperry, Treasurer. Accompanied by Mr. Borrelli, the club turned its efforts toward introducing new members and making our foreign exchange student's visit enjoyable and memorable.

In anticipation of future Le Roy exchange students, the members held various fund-raising activities, such as the annual pizza sale. They also met with new experiences at the district forum, set up to encourage students to be aware of the people in the world around them.

The American Field Service, concerned with the improvement of international student relations, functioned in its fifth year in Le Roy.

This year's foreign exchange student was Francesca Tomassini, a native of Sondrio, Italy. Francesca quickly adapted to our American way of life, and became a very enthusiastic member of the Senior Class.

Our own representative, Scott Brooks, spent several months last summer with a family in Barbados, located in the West Indies. Scott represented our school and country with outstanding pride and dignity.

National Honor Society

The Le Roy Chapter of the National Honor Society was the most select organization in Le Roy High School. The members, which were chosen bi-annually by the high school faculty, possessed the qualities of outstanding scholarship, leadership, character, and service.

Under the capable guidance of Miss Fortmiller and the leadership of President, Greg Rudgers; Vice President, Sally Barrett; Secretary, Sally Derrick, and Treasurer, Jennie Mathers, the society enjoyed a enlightening and prosperous year. Among the cultural activities pursued by the society was a trip to the Eastman Theater to see the talented Dave Brubeck. All in attendance enjoyed this evening of musical enchantment.

National Junior Honor Society

The National Junior Honor Society is a selective organization which represents eighth, ninth, and tenth grade students of high ideals and standards. These choice members were selected on the basis of superior scholarship, citizenship, service, leadership, and character.

Mr. Klingensmith, responsible for advisorship to the society, was helped by President Thomas Woodruff, Vice President Christine Brodien, Secretary Donna Batchellor, and Treasurer Linda Antinore. Two society inductions were held, one in the fall and one in the spring. Activities included visits to a play in Buffalo and a Rochester Philharmonic concert.

O-AT-KAN '66

The publishing of a school yearbook is a task of staggering proportions. This year's Oatkan staff has proved itself to be capable of tackling such a job. These young journalists worked diligently to produce a creation they could be proud of.

Jennie Mathers, Editor in chief, was assisted by William Nicholson in directing the staff and Mr. Klingensmith acted as the advisor. The work of the staff was spread over an entire year. Planning and arranging were complimented by articles, photographs, artwork, and the final sales promotion. Each staff division worked up to its highest level of excellence to construct a complete and finished product.

The Red and Black

The Red and Black, published and sold monthly, was the official newspaper of Le Roy High School. Under the careful direction of Editor-in-Chief Patricia Horr and advisor Mr. Borrelli, it has served as a stepping stone for future journalists.

The Red and Black has given interested students the opportunity to participate in many phases of newspaper publication. It has attracted and encouraged young people in the areas of editing, reporting, and literary writing. This year its active staff has made the Red and Black an important medium in reporting current activities and editorial views to the student body.

The Society of Quill and Scroll served as a selective organization recognizing those students possessing literary talent and ability. Headed by Mr. Klingensmith, the Quill and Scroll worked to promote excellence in journalistic standards at Le Roy High School. Members were selected and initiated in the spring at a banquet. At this banquet the editors of next year's O-at-kan and Red and Black were also announced.

Junior High Science Club

TOP ROW: M. Nott, C. Waterman, P. Sharp, C. Dampier, D. Yacuzzo, B. Ellsworth, S. McGarigal, C. O'Geen, J. Werner, R. Vanelli, J. Kriel, M. Corey, R. Kreuger, A. Aramino, D. Lathan, G. Hall.

 ROW 1: M. Paladino, S. Reamer, D. Young, B. Stockdale, A. Gugino, D. Lovenzi, B. Canfield, B. Ianello.

The Junior High Science Club was set up to interest and encourage Junior High students to study the many fields of science. Mr. Cave, the club advisor was assisted by President Gerald Paganin, and Secretary-Treasurer Abigail Streed, in the planning of activities.

During the course of the year, the club members met and decided on such projects as field trips to the Bergen Swamps, a visit to the Buffalo Museum of History, and discussions which covered many scientific topics. As they gained new knowledge, the Science Club members became more aware of the world around them and gained a better appreciation of it.

Business Club

BACK ROW 3: L. Crnkovich, P. Scott, L. Burrell, D. Pinkerton, L. Garner, M. Ehrhart, L. Bennetti, A. Clark, S. Smith, F. Tarszowiez, B. Taylor, C. Brown, A. Majors, L. Naples. ROW 2: B. Thomas, J. Under the guidance of Miss O'Donnell, the Business Club offered its membership to high school students who studied and expressed an interest in the field of business. This year's members selected as their officers Nancy Reed, President; Sandra Cook, Vice President; June Parks, Treasurer; Brenda Thomas and Linda Boldt, Secretaries.

During the school year, the club planned various activities and was assigned specific responsibilities. Among their activities were excursions to business firms as well as guest speakers who represented many of these organizations. Club members also were given the job of supplying the study halls with paper, pens, and pencils. Through the Business Club, these members became better acquainted with the business world and the occupations open to them.

Latin Club

Antinore, M. Woodworth, C. Brodien, C. Papenento, F. Perhamus.

The Latin Club, a member of the Junior Classical League, was open to all senior high students. This year, as in the past, it has been one of the most popular clubs in school. The club advisor, Mr. Borrelli, helped with activities and was aided by President, Thomas Ricci; Vice President, Joseph Herron; Secretary, Mary Messori; and Treasurer, Stephen Rumsey.

Highlights of the year's activities included an evening of classical enjoyment and the annual banquet at the close of the year. Fund raising activities, such as candy sales and dances were also held so the main events of the year would be enjoyable for all. The Latin Club has tried to promote a true understanding and interest not only in the Latin language, but also in the traditions of ancient Rome and Greece.

Spanish Club

During the past year Spanish Club members have become increasingly aware of the influence of Spanish culture in our modern world. They were guided by their advisor Mr. Smith and officers Kent Ladd, Alice Dewey, Susan Bald, and Lance Taylor.

Members of the club shared many experiences, which included programs of conversational enlightenment and the appearance of a guest speaker from the American University in Mexico City. Through these efforts they have gained greater insight into the Spanish civilization and its role in our changing world today.

Cafeteria Club

Le Roy High School's Varsity Club consisted of boys in grades nine through twelve who had earned a Varsity letter in any Varsity sport. This year, the club was advised by Mr. Jay and directed by Henry Chimeno, President; Jerry Howe, Vice President; Gary Batchellor, Secretary; and James Rudgers, Treasurer.

Varsity Club offers a wide variety of activities ranging from the management of home basketball games, to intramural competition and sports events. Members of this club were given the chance to gain a keener interest in athletic skills and learned the qualities of good sportsmanship and fair play.

French Club

For those students attracted to the language and customs of France, the French Club provided a worthwhile program of events. The club, organized by Mrs. Peisley, was headed by officers Judith Brown, Sherry Cohen, Candace Bower, and Donna Batchellor.

First on their calendar of activities was an all-day visit to the Albright Knox Art Gallery in Buffalo to view French art exhibits. In addition to numerous candy sales, the French Club welcomed Riall Nolan, a Peace Corps member who gave a talk about the corps. By learning more about the varied aspects of French culture, French Club members gained greater insight and appreciation of this country and people.

Library Club

As in past years, members of the Library Club have continued to serve the Le Roy school and community. The club advised by Mrs. Hill, is made up of students interested in books and library work. As their officers, the following were chosen: Lynn Bennetti, President; and Linda Hackenmiller, Secretary-Treasurer.

The purpose of the Library Club was to assist students in finding books and to maintain an orderly and efficient library system. The Library Club had few activities since it acted chiefly as a service group, but it raised money for awards through several profitable candy sales.

Hartwood Chapter concerned with the historical aspects of our community, offers membership to Junior High students. Miss Devoe acted as its guide and instructor, assisted by President Kathleen Yacuzzo, Vice President Sharon Canfield, Recording Secretary, Candy Dampier; Corresponding Secretary, Deborah Featherstone; Treasurer, James Reamer.

The activities sponsored by Hartwood Chapter included candy sales, a Christmas party, and participation in the yearly Zone Jamboree at Livonia. By sharing both new ideas and old, the members of Hartwood Chapter became better acquainted with their environment and more aware of the effects of history.

600 Club

The 600 Club was composed of high school girls who had expressed outstanding character and leadership in girls athletics.

The officers, Linda Boldt, President; Sally Derrick, Vice President; Judith Brown, Treasurer; and Donna Moultrup, Secretary were responsible for supervising all club activities. With the guidance of Miss Dougan, the 600 Club took part in the Little Olympics, officiated games, and sold programs at football games. Interwoven with their projects were their continual efforts to promote more spirit and good sportsmanship during athletic competition.

Future Farmers of America

The Oatkan Chapter of the Future Farmers of America held an interest for any high school boy studying agriculture in LeRoy High School. The advisor, Mr. Basom, was aided in his responsibilities by Craig Mannix, President; David Page, Vice President; James Panepento, Secretary; Harry Garner, Treasurer; Curtis Murray, Reporter; and Roxy Serusa, Sentinel.

Their activities consisted of various conventions and participation in both county and state fairs. In October, the chapter was represented in the national convention at Kansas City. Through these efforts, the members have been encouraged to develop greater leadership, co-operation, and ambition in the field of agriculture.

Future Homemakers of America

The Future Homemakers of America Club operated to train young women in specialized areas of home economics. During this past year, the club functioned under the guidance of Mrs. Leanen and the leadership of Cheryl Carlisle, President; Janet O'Geen, Vice President; and Secretary-Treasurer, Sally Barrett.

Membership in the Future Homemakers of America Club was open to all homemaking students in grades eight through twelve. Among the activities sponsored by its members were a bowling party shared with the Business Club, a field trip, bake food sales, and individual projects. Through their experiences, these girls became better prepared to meet future responsibilities.

Paper Pickers Union

TOP ROW 2: S. Smith, K. Totten. ROW 1: S. Williams, J. Spadaro, D. Tabone, L. Smith, R. Walters, D. Scott.

The Paper Pickers Union, a recent innovation to our school, worked to maintain a clean and orderly campus. The members chose as President, Stephen Smith; Vice President, Lawrence Smith; Secretary, James Spadaro; and Treasurer, Daniel Scott.

Under the supervision of Mr. Starkweather the school and campus were cleared of litter once a week by the paper pickers. Although only a small group, the paper pickers worked hard and diligently to surpass their goals. By their actions, they hoped to encourage the student body to express greater care and pride in its school.

Stage Crew

One of the most active as well as necessary organizations at Le Roy High School has been the Stage Crew. Each member was responsible for the operation of lights, curtains, and scenery equipment required when the auditorium was in use.

The club's advisor, Mr. Lane, was assisted by the senior stage manager, David Fleenor. Under their direction, the crew operated quietly and efficiently during activities held on stage. Although they worked behind the scenes, their technological skills proved valuable to all in attendance.

Audio Visual Club

One of the school's most valuable service groups has been the Audio Visual Club. This club was responsible for the handling and maintenance of the school's teaching aids. Let by President, David Fleenor; Vice President, Roger Fleenor; and Secretaries, Sylvia Neibch and Phyllis Papke, this club was a great asset to our school. They were guided by Mr. Basom, club advisor.

Members of the Audio Visual Club were trained to operate and care for movie projectors, record players, and tape recorders. They ordered new films and delivered them, accomplished photo copy work, and made tapes of records. During this busy year they learned the skills of operating mechanical equipment and the importance of efficiency.

Photography Club

The Photography Club has served as an incentive organization for young photographers and has limited its membership to a select few. The advisors, Mrs. Russell and Mr. Wilcox continually worked to increase the participant's knowledge of photography as well as their interest.

The chief function of the club was to manage all publicity pictures for the school system and for the Red and Black, and also to make available pictures of school activities for sale to students. The money which they earned was spent on the purchasing of new photographic instruments. Their experiences in handling this type of equipment better prepared them for entering into photography careers.

Oatkannaires

This year the musical talents and abilities of the Le Roy Oatkannaires were displayed by their many fine public appearances. Under the supervision of Mr. Lane they worked energetically and with determined purpose.

The beginning of the year was spent in the staging of the annual operetta. "The Music Man" equalled the high caliber of quality by its predecessors. Next on the schedule was the Christmas Concert, in which they echoed the spirit of the holidays. Following many weeks of rehearsing, the Oatkannaires took part in the Spring Concert and Rotary Club Show. They also represented our school in the County Chorus, and in doing so upheld the standards of excellence which they themselves had established.

Girls Chorus

The high quality of music at Le Roy High was also seen in the Girls' Chorus. Enthusiastic and hard-working, its members took part in many successful performances.

Mr. Lane in charge of all their appearances, led them through an active year. The highlights of the year included the Christmas Concert and the Spring Vocal Concert. In addition many members were given roles in "The Music Man" or worked as a part of the production staff.

Intermediate Band

The Intermediate Band was comprised of seventh and eighth grade students who had shown an enthusiasm in instrumental music. Headed by Mr. Wilcox, the band played for the Spring Concert and several Junior High assemblies. Interested members were allowed to participate in solo festivals and pep band. Outstanding musicians were also selected for Junior High All-County Band.

The band proved an excellent opportunity for Junior High students to develop and improve their talents in preparation for Senior Band.

Color Guard

In the traditional style of Le Roy High School, the Color Guard squad proudly presented the flag during all public events. The squad consisted of: Sylvia Niebch, Captain; Diana Gardner; Candace Kalicki; Jeanne Prospero; Patricia Rich; Jane Stevenson; and Karen Wilson.

Under the direction of Mr. Wilcox, the squad displayed the flags of Le-Roy High School, the United Nations, and the United States, at all of the home football and basketball games. The Color Guard also marched with the high school band in many area parades. Through their efforts, the Color Guard upheld the spirit of Le-Roy and maintained the pride and loyalty of her students.

Majorettes

Highly talented and fired with enthusiasm, the Le Roy Majorettes added a cheerful touch to many outdoor events. This year's squad consisted of: Donna Batchellor, Drum Major-ette; Donna Moultrup, Head Major-ette; Priscilla Roblee; Judith Grastorf; Rebecca Krautwurst; Donna Scoins; and Karen Windsor.

Under the leadership of Mr. Wilcox, they made numerous appearances during half-time shows at home football games, various parades, and the yearly Spring Band Concert. Among the many satisfactions gained, the girls discovered the valuable experience of working together as a team and performing before an audience.

Senior Band

The Senior Band was an organization of qualified Senior High musicians and offered many year-round services to the school. Their activities were supervised by Mr. Wilcox their director and by their elected officers: Gregory Rudgers, President; Henry Chimeno, Vice President; and Sally Derrick, Secretary-Treasurer.

The Marching Band performed at home football games and marched during parades held in the community. The Con-

cert Band played for the Annual Christmas and Spring Concerts as well as many school assemblies throughout the year. Several members of the band also participated in the N.Y.S.M.A. Solo Festival and County Band.

In addition to these activities, the band members have been given the opportunity to learn good musicianship and to appreciate the varied styles of music.

A new era began in Le Roy High football this year as the old Central-Western League ties were broken, and the Knights sought more equal opposition. The change seemed to be just what was needed, for the boys went on to post a brilliant 6-1 record, the best in over a decade.

An opening victory over Lyons proved a great morale-builder, for the team. Then the Knights suffered their only loss in an upset to Attica. Roaring back from this defeat, Le Roy went on to five successive wins against tough competition like Perry, Warsaw, Arcade and the Aquinas "B" team.

In the season finale, previously unbeaten Caledonia was bumped off, 12-7, in a ruggedly contested game before a capacity crowd at Hartwood Park.

Throughout the campaign, the Knights featured an ever consistent offense and one of the toughest defensive units around. The increase in school spirit and attendance was strong evidence of the new style of Le Roy football.

A special thanks goes out to Coach Jamalkowski and Coach Davies who made this group of boys into a successful team, insuring the fortunes of the Knights for years to come.

The line-up

Junior Varsity Football

One of the toughest J. V. teams around came out this year with a great 5-2 record. Led by Captain Tom Woodruff, the Junior Knights piled up four victories in a row, including wins over Notre Dame and 40-0 shutout of Letchworth. After a loss to Warsaw, the boys countered with a terrific 13-7 thriller over Brockport. Several bad breaks led to a loss in the final game with Batavia.

The young squad is to be complimented for its consistent play due to the able guidance of coaches, Mr. Sullivan and Mr. McVeigh.

This year's season proved to be the best in many years at Le Roy High School. With a highly spirited squad, under the direction of Mr. Cave and Mr. Bilicic, the Knights compiled an impressive 16-11 win-loss record.

At the beginning of the season, the team was led by senior Craig Mannix, who was undefeated. However, when Craig received an injury that side lined him for the remaining part of the season, the team continued to show remarkable strength by finishing fourth in the Genesee-Orleans-Wyoming County Meet, and winning a trophy in the "A" race at the SUCB Invitational Meet. Gary Batchellor, Tom Ricci, Frank Perhamus, Steve Lane, and Jim Ellingham won ribbons at that meet.

TRACK

The 1965 Track Team proved to be a squad of strength and enthusiasm. Under the fine coaching of Mr. Fenton, a record of six wins and three defeats was competed in a league of strong competition.

Le Roy was triumphant in both triple and dual meets, bowing only to Batavia, Oakfield, and Hilton in single encounters. At the annual Batavia Relays, the Distance Medley was won by Le Roy for the third consecutive year. Trophies were awarded to Jim Burrell, Dan Fernaays, Dennis Ryan, and Craig Mannix for their victory in this event.

Representing our school at the Sectionals were Jeff Stadel, Paul Gaylord, Dave Norton, and Craig Mannix. Jeff Stadel also had the most points for the team, accounting for 73.

Since golf was introduced to L. H. S., it has continued to grow in popularity and participation. The 1965 team, consisting of sixteen determined golfers, had another successful season under the coaching of Mr. McQuilkin. Led by Richard Heimlich, Le Roy posted wins over Medina and Holly. Rick Heimlich also placed first in the league play-offs and went on to participate in the Sectionals at Stafford.

Since all but two members of the 1965 team will be returning this year, prospects are high for another winning season.

Varsity Basketball

A young O-At-Kan Knight team proved to be too much for most of their competitors in the Genesee-Orleans League. The Knights tallied up a fine 15-3 record in league competition.

In their opener the Knights fell to an all powerful Pavilion team, but Byron-Bergen proved to be easy prey in the next game. Oakfield and Kendall were run ragged by the splendid shooting and great defensive shooting of the Knights. Alexander and Pembroke were next in line and they fell as easy as the rest. In the Christmas Tournament Avon and Warsaw dropped their games to Le Roy with Roger Smith netting 20 and 23 points respectively. Jim Rudgers led the way to an easy 72-34 victory over Lyndonville when he netted a cool 21. A strong Holley team proved to be too much for Le Roy when they won a 58-55 victory. It was a close game from start to finish but it just wasn't Le-Roy's night. For a second time Byron-Bergen was little competition for the Knights when L. H. S. ran up a score of 67-31. Oakfield put on a fine second half surge but it wasn't good enough to top the shooting of Le Roy. The Blue Devils of Batavia were ready for Le Roy and took home a 71-52 victory. After their loss to Batavia a fired up Le Roy team defeated Elba. Again Jim Rudgers led Le Roy to a victory over Pembroke when he netted 21 points.

In their second meeting with Batavia, Le Roy led most of the game and kept their lead to defeat the Blue Devils 71-61. The best game of the season was perhaps the second match with Holley. The Knights held at half time but a fired up Holley team came out of the locker room to close the margin in a hurry. The score see-sawed back and forth but at the final buzzer Le Roy won by a meager one point. In the last league game Alexander was again easy prey for Le Roy, Junior Jeff Stadel played his best game of the season scoring 21 points.

Le Roy's sectional competition was short lived when they fell to Wayland in the Pre-Quarter Finals.

The majority of the varsity team will return next year but to the lone Senior, John Pridgeon, Congratulations are in store for his fine performances this year.

The Le Roy Junior Varsity did a fine job again this year. The baby Knights ended the season with a splendid record of 12-4, losing only to Batavia, Pavilion, and Alexander.

The team showed astounding abilities in both offense and defense. Eric Bald captured the high scoring position and he also broke the J. V. record, of 31 points, in one game by 2. The boys exhibited outstanding teamwork and sportsmanship throughout the season.

The squad agrees that Mr. Longhini was the main contributing factor to their success.

Varsity Baseball

The Knight varsity concluded the season with an impressive record of eleven wins and four losses. The combined efforts of Bill Dedman and Gary Batchellor on the mound and excellent hitting by all team members, helped to produce a successful season.

The only losses were suffered at the hands of Elba, Notre Dame, Batavia, and Perry in the Section V playoff contest.

With an average of .565, Bruce Platek captured the batting title. Jerry Pangrazio placed second with a .415 average.

Mr. Jay feels that the upcoming season holds great promise, as seven lettermen and other capable players will be returning to the squad.

Junior Varsity Baseball

The Junior Varsity baseball team, although hampered by adverse weather conditions, compiled a highly successful record of 7 wins and 3 losses.

The team started slowly, but was inspired by the fine pitching of Billy McPherson, and fine all-around hitting.

Leading the team with the highest single batting average, was Ron Stella, who hit .452. Second place was held by Roger Smith with an average of .402.

Coached by Mr. Graney, the Junior Varsity team played well throughout the season, and even greater things are expected of the team in 1966.

Each boy in high school is a member of the Boys' Athletic Association. This year's officers are as follows: President, Henry Chimeno; Vice President, Gerald Mancuso; Secretary, David Norton; and Treasurer, Gary Batchellor. Each year in September the officers are elected in the gym classes. The duties of the B.A.A. included checking the expenditures and receipts of the Athletic Association and selling season football tickets in the fall. The chief activities this year were bowling and intramural basketball.

TOP ROW 2: L. Platek, S. Derrick, C. Lamendola.
ROW 1: B. Papke, K. Basom, M. Brown.

Varsity Cheerleaders

The continual enthusiasm displayed throughout the year was spurred on by the pep of the Varsity Cheerleaders. Through their efforts school spirit was highly boosted and the backing, so needed by the players, was ever present. Under the supervision of Miss Dorothy Dougan and Miss Nancy Lehrer, these cheerleaders have been responsible for pep assemblies and school spirit, and have truthfully succeeded in their endeavors.

The Captain of the varsity squad, Marilyn Brown, was a profound leader and pep enthusiast to the squad. The other members were Karen Basom, Sally Derrick, Cindy Lamendola, Barbara Papke, and Linda Platek. These cheerleaders are to be commended for a job well done.

Junior Varsity Cheerleaders

Fired with spirit and youthful energy, the Junior Varsity Cheerleaders supported our teams through another successful year. The squad consisted of six girls: Sandra Lapp, Captain; Margaret Northrup, Co-Captain; Christine Brodien, Robin Heins, Sharon Johnson, and Laurretta Williams. Miss Dougan and Miss Lehrer patiently advised and directed them. Aside from cheering the Varsity and Junior Varsity Squads were placed in charge of the sale of bus and game tickets.

During every home basketball game they served refreshments to the visiting cheerleaders. They were also quick to make friends with the squads which they competed with at the Catholic Youth Organization Invitational Cheerleading Tournament held in Rochester.

TOP ROW 2: S. Lapp, C. Brodien, L. Williams.
ROW 1: M. Northrup, R. Heins, S. Johnson.

Girls Athletic Association

TOP ROW 2: Miss Dougan, C. Brodien, L.
Platek, C. Vanelli. ROW 1: J. Brown.

When a girl enters the ninth grade she is automatically enrolled in the G.A.A. program, which provides a new experience in extracurricular sports activities. With the excellent advisorship of Miss Dougan, she can look forward to participation in badminton, tennis, field hockey, basketball, volleyball, baseball, and bowling.

While part of the aim of G.A.A. is to give girls a chance to improve their athletic skills, it also institutes fun and good sportsmanship.

Highlights of the G.A.A. program this year were Little Olympics, the Bowling Banquet, and a Basketball Tournament.

Management of the successful year is accredited to Linda Platek, President; Judith Brown, Vice President; Christine Brodien, Secretary; and Catherine Vannelli, Treasurer.

SENIORS

"THIS WAS THEIR FINEST HOUR"

The Class of 1966

"Long have we looked forward to the day . . ." Graduation has come and we fondly reflect upon the memories of our past high school years. It is with these experiences that we optimistically take our first step into the world which awaits us.

We eagerly began our Freshman year with hopeful ideas and ambitious goals. By selling refreshments at home basketball games, we gained a responsible position in school affairs. Also, our Thanksgiving dance with the turkey raffle will long be remembered. During our Sophomore year we participated in various class and school activities with boundless enthusiasm. The highlights of our Junior year were the Junior Prom and the Chicken Barbeque. Our Junior Prom entitled "Ebb Tide," was an evening of breath taking enchantment, and Chicken Barbeque night was one of hectic responsibilities and diligent work.

Thus our first three years of high school were filled with lasting friendships and rewarding accomplishments.

At last our Senior year was upon us and we began with spirited hopes and co-operation. Our untiring president, Gerald Mancuso, worked hard to make this year one of the best years of our lives. Gerald was aided by Vice President, David Washburn; Secretary, Sandra Cook; and Treasurer, Lance Taylor. We were guided by our hard working advisors, Miss O'Donnell, Mr. Cahill, and Mr. Klingensmith.

Our treasury was expanded when we were given the opportunity to sell refreshments at home football games. The Annual Senior Spaghetti Supper, held in December, was a well run and enjoyable event. Next on the agenda was a funfilled night at the Senior Carnival with games, a slave auction, the Smothers Brothers, and other forms of activity. Not until the entrancing Senior Ball, "Camelot", did we realize that soon our high school days would end. The music and decorations combined to bring an evening of beautiful dreams and fond memories. Before we realized it, June was here with the Senior Trip, class night, parties, and finally Commencement. Joy and sadness were combined as we received our diplomas and said good bye to our Alma Mater. The Class of 1966 will always remember the wonderful years at Le Roy High School and it hopes that the future years are as prosperous.

Our Foreign Exchange Student - Francesca Tomassini

To Faculty, Students and Fellow Le Royans:

All too soon the end of my stay has arrived. Shortly I will return home to Sondrio, Italy. To be sure I will be more informed through scholarly pursuits than when I arrived in Le Roy ten months ago; more enriched by the wonderful acquaintances I have made, and by the school's activities that I have enjoyed so much. But I am also sure I will return to Italy more saddened for leaving you with little chance of ever seeing you again.

At this time I would like to say so many things, how much I enjoyed my stay in your town and in your school, how many happy memories you have given me and how many friends I have found. I can only express my overwhelming thanks to you for such a delightful experience in Le Roy High. Together with a solemn promise of my eternal debt of gratitude to all of you I can assure you that the memory of all the good people of Le Roy is indelibly impressed in my heart.

In Recognition

Miss Myrta S. Calvert

Teaching today is a demanding profession. It commands of those involved long hours of work, both in and out of the immediate school day. It requires a firm guiding hand, willful heart, an unremitting patience, and a love for children. It has been repeatedly said that the future of the country lies in the education of our children. Both teachers being recognized have been members of the faculty of the Le Roy school system for a good many years. Each year they have met and trained new students, and each year new students have had the good fortune of meeting them and having learned under their guidance. With faculty such as these two women in our school system, our young children shall be taught, trained, and guided in the right way to become the future doctors, lawyers, merchants, and politicians of twenty-first century America.

So it is with deep pride and admiration that we, the staff of the 1966 O-AT-KAN, devote a portion of the yearbook to you, Miss Calvert and Miss Murnan, and all the dedicated teachers you typify, who have so willfully devoted your lives to teaching.

A Final Comment . . .

As the year draws to a close we recall the memorable events we have encountered during the past months. I have experienced a very enriching event as editor of the 1966 O-AT-KAN. This year I have learned a great deal about people, and how to get them together to work wholeheartedly toward a final goal. The goal of this year's yearbook staff has been to produce an O-AT-KAN which truly signifies the activities and stories of the past year. I feel that the 1966 O-AT-KAN staff has worked as hard as it possibly could and everyone on the staff has put forth his very best. This high quality of workmanship can be seen on every page of this book. Thus, I would like to thank the whole staff for its gifts of perseverance, hard work and loyalty to this O-AT-KAN. I want to especially thank William Nicholson, the assistant editor, for his unflinching aid and work, and also the whole editorial staff. The members of this managing staff have done their share of the work with patience and perseverance, and they have considerably lessened my job. Speaking also for the staff I would like to thank Mr. Klingensmith, our advisor, for his wise and unremitting guidance. Finally, we would like to acknowledge the student body, faculty and administration for their cooperation. While pictures were being taken this cooperation and excellent behavior particu-

larly stood out and it was greatly appreciated.

To my classmates especially, I hope that this book will always remain a part of your memories of high school, as it certainly will be mine. In the future we will undoubtedly recall our high school days which are indelibly impressed in our memory. It is true that our futures remain uncertain yet we can still prepare for what lies ahead by being upstanding citizens and by following certain virtues. Sir Winston Churchill's virtues and characteristics have been unfolded in this year's O-AT-KAN. His virtues such as integrity, charity, patience, courage, unselfishness, patriotism and peace are to be greatly admired and followed. In the world of today these virtues are demanded even more. It is now our duty to carry out the dreams of Churchill and our forefathers, for a better nation and a better world. Let us meet this challenge with resolution and perseverance. In the future let us remember the echoing benediction words of Sir Winston Churchill: "Withhold no sacrifice, grudge no toil, seek no sordid gain, fear no foe. All will be well . . ."
